16. Please explain your ratings above, especially if you have AI tools for "other" types of work.

\* 

I completed most of the work by myself, with the exception of generating the title "PlanYourPlate" for the website. Since I used AI for this, I selected "Mostly by myself, some contribution by AI" for the text ideation field as I did a lot of text ideation by myself. All of the other applicable sections were done entirely by myself.
